#1 FOR CUPCAKES

Ladybird Bakery

Food	Decor	Service	Cost
28	23	23	M

This tiny, "charming" original branch of Two Little Red Hens recently took on a new name to signal an ownership shakeup, but much to the relief of its faithful Park Slope following, it's still producing the same "delectable" baked goods for which it has long been known; as ever, it's most appreciated for its artfully decorated cakes and cupcakes, "perfect for showers, engagements" and birthday parties.
